Grade 3 · Units 1–4 diagnostic quiz (A/B) · listening, words and grammar, reading, writing

35 minutes (25-minute quiz) · classes 3A and 3B · A1 · Version A and B on alternate desks · 32 marks, 8 per unit

Lesson goal. Find out what each Grade 3 pupil can do in English after Units 1–4, unit by unit and skill by skill, so the revision lessons start from the real gaps. Items test English in new situations, not memory of the stories.
Print. https://maysaaaam-rgb.github.io/who-stole-the-treasure/quiz-g3-units1-4/ → Version A and Version B (2 pages each, print double-sided), one per pupil, A and B on alternate desks. The answer key and the class record are on the same page (top bar).
Listening. Part 1 is the same on A and B. Open quiz-g3-units1-4/listening.html and press Play items 1–8 (each item is read twice), or read the script aloud twice, slowly.
Marks. Each unit is out of 8 (listening 2, words 2, reading 2, writing 2 × 2 marks). Unit bands: 0–2 Below A1, 3–4 A1, 5–6 A1+, 7–8 A1+ strong. Type the marks into the class record page: levels and the weakest unit appear by themselves.

Min	Step	Teacher	Pupils	Tip
0–4	**Start**	Calm start with the Class Plan rules. Hand out A and B on alternate desks, face down. Say: "This is to help me, not a test for grades."	Write name and class.	Show how to tick ○ and how to write one full sentence.
4–10	**Part 1 Listening**	Play items 1–8 (twice each), wait 10 seconds after each.	Listen and tick.	No talking. Point to the item number on the board.
10–29	**Parts 2–4**	Pupils do words and grammar, reading and writing on their own. Read a question aloud only if a pupil cannot read a word (do not translate the answer).	Work alone; check at the end.	Time warnings at 10 and 3 minutes.
29–35	**Collect and calm finish**	Collect the papers. Short calm game (Game Maker, Units 1–4 Grade 3) if there is time.	Hand in, then play.	Mark later; type marks into the class record.

Support. Seat pupils who need help near you; read questions aloud; extra time if needed. Do not give answers.
After the quiz. Look at the weakest unit and skill per class in the class record. Those decide the first Grade 3 revision lessons (the same skill-first plan as Grade 4).
Note. The levels are classroom bands, not official CEFR results.
