Notes

- Mark correct spelling for the target word; do not take a mark off for capital letters at the start of Q4 if the words are right and in order.
- Coins = correct answers + fixed answers ÷ 2 (rounded down), maximum 10. Enter them in the platform: Classroom Store → Worksheet coins.
- Questions 1, 2, 4, 6, 7 check sentences practised in the revision lesson; 3 and 5 check question words and skimming; 8, 9, 10 check the Unit 2 vocabulary and irregular verbs.
- Write down the questions most pupils missed: they are your next revision.
