Grade 3 · Units 1–4 revision games (Friday 30 October · 3B 09:45, 3A 10:30)

35 minutes · 3B after Revision 1, 3A before Revision 1 · play, write, review · smartboard: game-maker/index.html?set=smart-g3&game=balloon

Goal. A happy Friday game with the words and sentences of Units 1–4 that the class still finds hard. Everybody writes every answer on paper, not only the team at the board.
Prepare. Game Maker: Smart mix · Grade 3 (it picks the questions your class still misses), Monsters = 3B or 3A, Remember first = On, Answer cards = On, the ordinary cartoon skin (no Halloween). The game answer sheet (game-maker/Game-Answer-Sheet.pdf, 2 per A4), one per pupil.
Order. 3B has Revision 1 at 09:00, so keep this lesson light and playful. 3A plays first (the games they missed on Tuesday); the hard list then helps Revision 1 at 11:15.

Min	Step	Teacher	Pupils	Tip
0–3	**Rules + sheets**	Bell game once. Give every pupil the game answer sheet. Name and class on top.	Write name; pencil ready.	Class Plan light on.
3–8	**Remember first**	Look and say, then cover and recall the words.	Say the words; recall.	Fast; everybody speaks.
8–16	**Balloon Pop: play and write**	Each question shows a yellow "Line N". Read it; count 3–2–1. EVERY pupil writes on that line, then the team at the board answers and pops. Cards up: tap All / Most / Half / A few / None.	Write on the right line; hold up the paper.	Nobody waits. Wrong answer: a hint, no minus points.
16–24	**Penalty Kick: play and write**	Switch the game to Penalty Kick (☰ Games). Same line routine; the lines go on counting.	Write; cheer for the shot.	Teams play in order.
24–30	**What we found hard**	At the end press 📋 What we found hard. Tap each line to show the answer; say the sentence together. Then 🧠 Practise these.	Check their own lines; correct them in another colour.	The list is saved for Monday's Revision 2.
30–35	**My hard lines**	Pupils write "Hard for me: lines …" and one sentence they remember at the bottom. Collect the sheets. Have a nice weekend!	Write and hand in.	Look at the sheets before Revision 2.

Support. Weaker pupils sit near the board and write only the word or the letter A–D.
Not today. No new words, no Halloween skin.
Check. The hard lines on the sheets show what Revision 2 (Monday) should start with.
