Grade 4A · Alice's Tea Party (Friday 30 October, 16:05–16:45)

1 lesson (after 4B, in the other teacher's lesson) · school garden (rain: the classroom) · speaking and fun · board/laptop: alice-party/index.html

Goal. A small, happy party where everybody speaks English: each pair performs its short dialogue, we eat cupcakes, drink juice and take photos as a memory.
Language. "Would you like some tea / a cupcake?" – "Yes, please. / No, thank you." · "Can I have …, please?" – "Here you are." · "Thank you!"
Ready. 4B decorated the garden before. Bring the 4A name cards, awards + medals, certificates, running order, the spare-props box, cupcakes, juice, cups, napkins, a bell.

Time	Step	Teacher	Pupils	Tip
16:05	**Rules and quick props**	Everybody sits as the audience. Rules together: bell = stop, one voice, sit when you are not performing. Pupils with no prop make a quick paper one. Name cards out.	Say the rules; make a prop; read the card.	Costumes are optional. Mark away pupils with "Here" in the HQ.
16:15	**The show**	HQ → ▶ Start the party show. 9 performances, about 2 minutes each, applause after each.	Perform; clap for every pair.	Tick award ideas on the running order sheet.
16:33	**Finale**	Everybody together: "This is a nice tea party!"	Say it together.	
16:35	**Cupcakes, juice, photos**	Cupcakes and juice. Each pair takes a photo in the photo frame.	"Would you like a cupcake?" – "Yes, please."	No photos of pupils whose families said no. Check allergies.
16:40	**Awards, certificates, tidy up**	The 6 awards, each to a different pupil, with one sentence why and a star medal. Certificates for everybody. Everybody takes down the decorations.	Clap; tidy up.	+10 XP everyone, +20 XP winners.

Support. A pupil is away: a helper reads the part from the name card. Anyone too shy: perform together with the partner.
Time. Only 40 minutes: if the show runs late, give the awards first and the cupcakes during the certificates.
After. Thank the other teacher for the lesson. Write one good moment for the report.
