Prepare. Check speaker volume before class (the lesson includes real Korean folk band loops at 60/84/108 BPM, janggu drum hits, voiced dance commands, a singing bowl for Freeze, and the authentic song). Clear a small space for teams to stand in a circle.

Min	Step	Teacher	Pupils	Tip
0–4	**Step 1: The Moon Night**	Open the Moon Night stage. Make 4 teams (Moons, Stars, Rabbits, Lanterns) and point to the shared Moon Glow bar. Tap the 3 moon words (moon, circle, family) and press Play to hear the song.	Look at the giant full moon, repeat the 3 words (moon, circle, family), and listen to the Ganggangsullae call-and-response.	Every activity adds Moon Glow to the shared bar at the top of the screen.
4–10	**Step 2: Five Dance Words**	Tap each of the 5 dance cards (step, turn, clap, hop, bow) to play the teacher voice and sentence. Then press "Do it!" so random cards appear for TPR action.	Listen, repeat the word, and do the action together (step, turn, clap, hop, bow).	Keep it brisk and physical—pupils stand beside their desks or in a circle.
10–17	**Step 3: Sing the Song (Call & Response)**	Start the folk band loop (slow first, then faster). Sing the leader line on bar 1; wave to the class on bar 2 so the whole circle answers "Ganggangsullae!". Play the real song audio underneath.	Listen to the leader's English line, then sing "Ganggangsullae!" together on the response beat while clapping.	Use the drum buttons (Dung / Deok / Rim) to keep a steady heartbeat.
17–25	**Step 4: GAME — Move Like the Moon (Slowly / Quickly + Freeze)**	Start the round. Every 3 bars a new move card appears ("Step slowly.", "Hop quickly.") and the folk band automatically changes speed to match! Press the singing bowl (or wait for it to ring) for FREEZE.	Do the move at the right speed (slowly or quickly) while saying the sentence. When the singing bowl rings, freeze like the moon!	Award team points for the best statues on FREEZE and clearest chanting.

25–34	**Step 5: GAME — Our Team Dance & Moon Concert**	Each of the 4 teams chooses 3 moves (First, Then, Finally) on the board and performs their dance with the band while the rest of the class claps and sings the response. Then press "Moon Concert" to run all 4 team dances in a row!	Pick 3 moves as a team, announce "First we…, Then we…, Finally we…", and dance together in the Moon Concert!	Celebrates every team with cheering SFX and full Moon Glow.
34–35	**Step 6: Happy Chuseok! (Homework & Door Pass)**	Show the final scores and the 5-minute homework link (chuseok-moon-homework). At the door, ask each pupil to show one move and say it.	Cheer for the class, note the 5-minute homework link, and do one move at the door while saying "Step slowly!" or "Clap quickly!".	The 5-minute homework lets pupils listen to the 5 lines, answer 6 word questions, sing at home, and build a 3-move dance (+40 XP).

Support. Model each of the 5 dance moves physically; pair quieter pupils with a buddy in the circle; use the Slow band button (60 BPM) first.
Stretch. Let confident pupils be the Circle Leader who calls the English verse lines and rings the singing bowl for Freeze.
Check learning. Watch physical response to slowly vs. quickly in Step 4, listen to the First / Then / Finally team dance announcements in Step 5, and check the 5-minute homework completion on Thursday.
