Grade 3 & 4 · Halloween Monster Pet Shop (team lesson) · 35 minutes

1 × 35 minutes · 3A, 3B, 4A, 4B · A1 · smartboard: halloween-pet-shop/index.html?class=4b (tap the class) · teams of 4–5 from the All About Me survey

Why this lesson. The All About Me survey: cats (23 pupils) and pets (40) were the favourite things, drawing 40, pizza and burgers too. The hardest things were speaking in front of the class (20) and finishing in time (21). So pupils speak inside their team first, every pupil has a job, and a timer is always on the board.
Language. Grade 3: It's a black cat. It has got a hat. It can climb. Can it fly? Yes, it can. / No, it can't. How much is it? It's 10 coins. Grade 4 adds: It's a small, black cat. It can fly, but it can't swim. It likes pizza! Is it friendly? What can it do?
Words. black, white, orange, purple, green, red · big eyes, a long tail, wings, eight legs, a hat, a scarf · fly, climb, jump, run, dance, swim, roll · coins (Grade 4: small, big, funny, friendly, fast; likes).
Prepare. Print from halloween-pet-shop/worksheet.html (Grade 3 or 4 button): page 1 Pet Design Card × 1 per team, page 2 question cards × 1 set per team, page 3 door-pass slips × 1 per pupil, page 4 homework (optional). Print plan.html page 2 (Team Speaking Check with the class's team names). Coloured pencils for every team.

Min	Step	Teacher	Pupils	Tip
0–4	**1 · Who is in the cauldron?**	Tap the class on the start screen. Read clue 1, teams whisper, then "Next clue". Tap the picture the team on turn points at. Earlier guess = more points.	Listen, whisper in the team, point. No one speaks alone.	Wrong guess = hint, never minus points.
4–10	**2 · Meet the Pets**	Open 4–5 pets. "Say it with me" (choral), then "Act it!". Point at the colour code: yellow = colour, blue = has got, green = can.	Repeat together, act the verb (climb, fly, roll).	Short on time: 3 pets are enough.
10–20	**3 · Team Pet Lab**	"⏱ 30 seconds" for jobs (Artist, Writer, Speaker, Timer Boss; team of 5 = 2 Artists). Hand out cards, start the 8-minute timer. Walk round: help Writers with the frames.	Draw the pet, give it a name, write 3 sentences, say them together 2 times. Teams may use the Sentence Builder on the board.	Give shy pupils the Artist or Timer Boss job first.
20–32	**4 · The Pet Shop is open!**	One team at a time (90 s timer). ⭐ ⭐ for clear sentences, 🤝 for teamwork, +1 for a good buyer question. Tick the Speaking Check. Then "Buy a pet!": 3 coins per team for OTHER teams' pets.	Speaker shows the card, the whole team says the last line. Buyers ask 1 question from the cards.	Most coins = Best Pet Shop (+3).
32–35	**5 · Awards & door pass**	Read the award titles (every team gets one). Stand at the door.	Say 1 sentence: My favourite pet is the… It can… (or point at a pet and say its name).	Give team XP on the Class Board afterwards.

Support. Pictures on every word in the Sentence Builder and the word bank; jobs that need little speaking for pupils who need more help; door pass by pointing.
Challenge. A 4th sentence (It has got … and … / It likes …); ask 2 buyer questions; draw a second pet on the back.
Evidence. Team Speaking Check (plan.html page 2, team level, no pupil names) and the door-pass slips. Team

points stay on the lesson page; nothing is saved to the cloud.
Homework (optional). “My Pet at Home” (worksheet page 4): draw, 3 sentences, say them to the family.
