Dear Parents,

This week in English, Grade 3 learned about Chuseok, the Korean harvest festival, and its treats. They learned cooking words: **mix, pour, roll, fill, press, steam, add, cut**, and how to tell a recipe with **First, Then, Finally**.

Home mission: please cook ONE easy treat with your child (fruit punch, rice balls or songpyeon; the recipe card is attached). Your child helps, and an adult does any cutting or cooking on the stove.

- 📷 Please take **3 photos**: the ingredients, your child cooking, the finished treat.
- 🎥 And **1 short video** (under 1 minute): your child says the steps in English: "First, I ... Then, I ... Finally, I ... It is yummy!"
- 📬 Send them to the teacher on **K12** by _____.

The photos are used only in our classroom for a short presentation and are not posted online. Thank you for your help!

Sevgili Veliler,

Bu hafta İngilizce derslerinde 3. sınıflar, Kore'nin hasat bayramı Chuseok'u ve bu bayrama özel ikramları öğrendi. Mutfak kelimelerini (**mix, pour, roll, fill, press, steam, add, cut**) ve bir tarifi **First, Then, Finally** ile anlatmayı öğrendiler.

Ev görevi: Lütfen çocuğunuzla birlikte kolay bir ikram hazırlayın (meyve punçu, pirinç topları veya songpyeon; tarif kartı ektedir). Çocuğunuz yardım etsin; bıçak ve ocak kullanımını mutlaka bir yetişkin yapsın.

- 📷 Lütfen **3 fotoğraf** çekin: malzemeler, çocuğunuz hazırlarken, hazır ikram.
- 🎥 Ve **1 kısa video** (1 dakikadan kısa): çocuğunuz adımları İngilizce anlatsın: "First, I ... Then, I ... Finally, I ... It is yummy!"
- 📬 Fotoğraf ve videoyu _____ tarihine kadar **K12** üzerinden öğretmene gönderin.

Fotoğraflar yalnızca sınıf içi kısa bir sunumda kullanılacak, internette paylaşılmayacaktır. Desteğiniz için teşekkür ederiz!
