Lesson 1: The Time Book · Help Jannah!

Outcomes. Students will be able to:

- answer short questions about The Time Book (Who? Where? What?)
- spell ancient, strange, pharaoh, chariot, surprised, scared
- put six events of the story in order
- tell a main idea from a detail
- guess a character or object from a short riddle

Materials:

- Smartboard game "The Time Book – Help Jannah!" (5 activities with timers and voice)
- Printed worksheet: maze with START and END, unscramble words, events, main idea / detail, riddles
- Magic Book pp. 74–80 to check answers · M and D cards

Lesson stages (35 minutes):

Min	Stage	Teacher	Pupils
8	Help Jannah Escape!	Show the maze on the board and give out the worksheet. Read each gate question aloud (What did Jannah find? Who did she meet?).	Pupils draw Jannah's path from START to the safe place and write the answer at each gate; one pupil moves Jannah on the board.
6	Unscramble the Letters	Show the jumbled letters with a picture (cnieant → ancient). Give the first letter as a hint.	Pupils write the word on the worksheet; a volunteer taps the tiles on the board.
7	Put the Events in Order (pp. 74–79)	Read the six events in random order.	Pupils number them 1–6; teams check by acting out the story in order.
7	Main Idea or Detail? (p. 81)	Read each sentence. Model: "Jannah travels to ancient Egypt with a magic book" = main idea.	Teams hold up M or D, then tick the box on the worksheet.
7	Who Am I?	Read the riddles (I am the king of ancient Egypt. Who am I?).	Pupils answer in a full sentence: "You are the Pharaoh."

Teacher notes:

- The maze is printable in black and white; START and END are clearly marked.

- Fast finishers write their own riddle for a partner.

Assessment: observation during the team games, the worksheet answers and the exit question; note pupils who need the words again in the next lesson.
