Grade 3 · Unit 3 · Arctic Words (The Bear and I)

Classes 3A and 3B · 35 minutes · Pre-A1/A1 · one Smart Board · open: unit3-g3-arctic-words/index.html

Curriculum outcomes. Listening, vocabulary, grammar, pronunciation and speaking outcomes of the unit (codes to be filled from the Unit 3 scheme)
Lesson goal. By the end of the lesson pupils can match Arctic words to pictures, understand a word from a sentence, build simple sentences, compare the man and the bear, and say words that end with -ng.
Language. ice, polar bear, fish, hole, thin, enemy, crack · The ice is thin. The bear is hungry. There is a hole in the ice. The man has a fishing rod. · -ng words: sing, long, king, ring, bang, spring.
Prepare. Open the smartboard lesson. Three wall signs for step 5: MAN, BOTH, BEAR. No printing needed.

#	Activity	Min	Book page	Outcome: Students will be able to…	What happens (speaking first)	Codes
1	**Welcome to the Arctic**	3	p. ___ (the poem opener)	Students will be able to say what they can see in an Arctic picture.	Smart Board Arctic scene. Pupils look, whisper to a partner, tell the class. The five missions appear at the end.	L1, S1
2	**GAME: Word and Picture**	6	p. ___ (new words)	Students will be able to match the words ice, polar bear, fish, hole, enemy and crack to pictures.	A word appears and is read aloud. The team in turn chooses one of three pictures. Right = 2 points; the next team can steal for 1 point.	V1, L2
3	**What Does It Mean?**	5	p. ___ (words in context)	Students will be able to understand a word from the sentence (The ice is thin.) and choose the picture that shows it.	A sentence appears and is read aloud. Teams choose the picture that shows its meaning. No translation: the picture and the sentence give the meaning.	L3, R3
4	**GAME: Build It, Bear!**	6	p. ___ (making sentences)	Students will be able to put words in the right order to make a simple sentence.	Teams tap shuffled word cards in order. A right sentence moves the bear one step towards the fish. Five sentences.	G1, S4
5	**Man, Bear or Both?**	6	p. ___ (comparing the characters)	Students will be able to say what the man, the bear or both do (The bear has white fur.).	Pupils read a card and walk to the MAN, BOTH or BEAR corner, then say the full sentence. Seven cards.	S3, G1
6	**GAME: Feed the Bear**	7	p. ___ (phonics -ng)	Students will be able to say words that end with -ng (sing, long, king, ring, bang, spring) and tell them from other words.	Fish swim with words. Teams tap a fish, read the word, then feed the bear. Only -ng words please the bear; other fish go back to the water. Five fish.	P1, V1

7	**The Bear Is Full! (door pass)**	2	p. ___ (no writing)	Students will be able to say one sentence about the bear, the man or the ice.	Scores are shown. At the door each pupil says one sentence and the teacher answers.	S2
	Total	**35**				

Support. Act the word; point to the picture; read the first word of the sentence for the team; say -ng slowly (si-ng).
Stretch. Say the word in a sentence before tapping; add a new sentence with the same pattern; give more -ng words.
Check learning. Listen to the team talk and the door pass; note who can say a full sentence and who can hear the -ng sound.

Book page numbers marked "p. ___" are to be filled in from the pupils' book. Teaching style: speaking before writing; TPR and movement; Smart Board touch and drag; puppet; team game; no translation.
