Grade 3 · Unit 3 · Word City

Classes 3A and 3B · 35 minutes · Pre-A1/A1 · one Smart Board · open: unit3-g3-word-city/index.html

Curriculum outcomes. Listening, vocabulary, grammar, pronunciation and speaking outcomes of the unit (codes to be filled from the Unit 3 scheme)
Lesson goal. By the end of the lesson pupils can say and use the words hole, trap, enemy and thin, build the -ng words sing, long and spring, sort words by type, and build short sentences.
Language. hole, trap, enemy, thin · sing, long, spring, king, ring, bang · There is a hole in the ground. The road is long. Flowers grow in spring.
Prepare. Open the smartboard lesson. No printing needed.

#	Activity	Min	Book page	Outcome: Students will be able to...	What happens (speaking first)	Codes
1	**Welcome to Word City**	3	p. ___ (the poem words)	Students will be able to say what they can see in a city picture.	Smart Board city, factory and gate. Pupils look, whisper and tell the class. The five missions appear at the end.	L1, S1
2	**GAME: Explore the City**	6	p. ___ (vocabulary: hole, trap, enemy, thin)	Students will be able to say the new words when they find them and use them in a short sentence.	Teams take turns to tap a place. The character walks there and may find a hidden word, which goes in the backpack with a sentence. Two places are empty.	V1, S2
3	**GAME: The Letter Factory**	7	p. ___ (phonics -ng)	Students will be able to build sing, long and spring by putting the letters in order and say the -ng ending.	Letters are scattered on a belt. The team in turn taps them in the right order to fill the machine; the word is read aloud and the machine lights up.	P1, V1
4	**GAME: -ng Balloons**	6	p. ___ (phonics -ng)	Students will be able to pick out words that end with -ng from other words.	Balloons fly up with words. Each team has 25 seconds to tap -ng words while the team shouts them. Wrong balloons only wobble.	P1, L2
5	**GAME: Word Trains**	6	p. ___ (word types)	Students will be able to sort words into things and places, people, and describing words.	A word appears and is read aloud. The team in turn taps the right train car. Right = 2 points; wrong = the next team tries. Seven words.	V1, G1
6	**The Magic Gate**	5	p. ___ (making sentences)	Students will be able to build short sentences with the new words (There is a hole in the ground.).	Teams tap shuffled word cards in order. Each right sentence lights a part of the gate; four sentences open it.	G1, S4
7	**The Gate Is Open! (door pass)**	2	p. ___ (no writing)	Students will be able to say one word from the city and use it in	Scores are shown. At the door each pupil says a word and a sentence.	S2

				a short sentence.		
	Total	**35**				

Support. Show the object or act the word; read the sentence for the team; say -ng slowly (si-ng).
Stretch. Make a new sentence with the same pattern; say why a word is a describing word; find more -ng words.
Check learning. Listen to the team talk and the door pass; note who can say a word in a full sentence.

Book page numbers marked "p. ___" are to be filled in from the pupils' book. Teaching style: speaking before writing; TPR and movement; Smart Board touch and drag; puppet; team game; no translation.
