Grade 3 · Unit 3 · Homework launch: The Arctic Rescue (The Bear and I)

Classes 3A and 3B · 35 minutes in class + homework at home · Pre-A1/A1 · one Smart Board · open: unit3-arctic-homework/index.html?track=bear

Curriculum outcomes. Listening, vocabulary, grammar, pronunciation and speaking outcomes of the unit (codes to be filled from the Unit 3 scheme)
Lesson goal. By the end of the lesson pupils can compare the man and the bear, use poem clues to choose a place, sort useful and useless things, and they know how to log in and finish The Arctic Rescue at home.
Language. hole, twice, enemy, thin, trap, melting · gasoline, energy, electricity, expensive · -ng words: sing, long, reading, bang, spring · The bear is twice my size. Both of them eat fish. The ice is thin.
Prepare. Open the game with ?track=bear on the Smart Board. Three wall signs: MAN, BOTH, BEAR. Share the same link with families (class page or QR code). Optional printable worksheet: unit3-arctic-homework/worksheet.html.

#	Activity	Min	Book page	Outcome: Students will be able to…	What happens (speaking first)	Codes
1	**The Snowstorm**	4	pp. 42–45 (The Bear and I)	Students will be able to say who is lost in the storm and what they can see.	Opening scene on the Smart Board. Pupils look and tell the class. Class vote: play as the Explorer or help the Polar Bear?	L1, S1
2	**Log in together**	3	—	Students will be able to choose their class and name.	The teacher shows the login. Two pupils try at the board while the class says the steps (class, name, choose, start).	S1
3	**Zone 1 together: Footprints**	8	p. 47 (compare and contrast)	Students will be able to say if a clue is about the man, the bear or both (The bear has white fur.).	A clue is read aloud. Pupils walk to the MAN, BOTH or BEAR sign and say the sentence; then a pupil taps the answer. A wrong answer shows a Snowy Dead End: the class reads the hint and tries again.	S3, R3
4	**Zone 2 try: Frozen Lagoon**	6	pp. 42–45, 46 (-ng)	Students will be able to use a poem clue to choose the right place for the hungry bear.	Teams talk for 20 seconds, then one pupil taps a place. The bear energy bar goes up with each right answer.	R2, P1
5	**Zone 3 try: Useful or Useless?**	6	p. 44; pp. 48–53 (Clean Cars)	Students will be able to say if a thing is useful or useless in the storm.	Thumbs up for useful, thumbs down for useless, then a pupil taps the bucket and the class repeats the reason.	V1, S2
6	**Homework steps**	6	—	Students will be able to tell a partner how to finish the homework at home.	The teacher shows the hub map: any zone, any order, no game over, six tools, then the Safe Place and the Arctic Explorer badge. Pupils repeat the steps with gestures. Give the worksheet if used.	L2
7	**Door pass**	2	no writing	Students will be able to say one sentence about the bear or the man.	At the door each pupil says one sentence and the teacher answers.	S2

	Total	**35**	

Support. Act the word; point to the picture; read the clue for the team; turn on Read Clue Aloud at home.
Stretch. Give the reason for the answer (Because the bear eats fish.); finish both perspectives at home.
Check learning. Check the XP and the Arctic Explorer badge on the class board the next lesson; listen to the door pass.

Book page numbers marked "p. ___" are to be filled in from the pupils' book. Teaching style: speaking before writing; TPR and movement; Smart Board touch and drag; puppet; team game; no translation.
