Grade 4 · Unit 3 · Homework launch: The Arctic Rescue (How Much Is It?)

Classes 4A and 4B · 35 minutes in class + homework at home · A1 · one Smart Board · open: unit3-arctic-homework/index.html?track=money

Curriculum outcomes. Listening, vocabulary, grammar, pronunciation and speaking outcomes of the unit (codes to be filled from the Unit 3 scheme)
Lesson goal. By the end of the lesson pupils can put money in time order, find the places in The $100 Bill, spell -ar words, choose responsible solutions with I should…, and they know how to finish The Arctic Rescue at home.
Language. bartered, metal, valuable, credit card, plastic, bill, belong to, return, pocket, restaurant, money is tight · -ar words: bartered, card, park, hard, started · People bartered a goat for grain. Paige gave the $100 bill to her dad. I should save my money.
Prepare. Open the game with ?track=money on the Smart Board. Share the same link with families (class page or QR code). Optional printable worksheet: unit3-arctic-homework/worksheet.html.

#	Activity	Min	Book page	Outcome: Students will be able to…	What happens (speaking first)	Codes
1	**The Snowstorm**	4	pp. 40–41 (unit opener)	Students will be able to say what they can see and who needs help.	Opening scene on the Smart Board. Pupils look and tell the class. Class vote: play as the Explorer or help the Polar Bear?	L1, S1
2	**Log in together**	3	—	Students will be able to choose their class and name.	The teacher shows the login. Two pupils try at the board while the class says the steps.	S1
3	**Zone 1 together: Buried Artifacts**	8	pp. 41–46 (The History of Money)	Students will be able to match money words to the past (shells, metal coins, paper bills, credit cards) and put them in time order.	A clue is read aloud. Teams show 1, 2 or 3 fingers for their answer, then a pupil taps it. A wrong answer shows a Snowy Dead End: the class reads the hint and tries again.	V1, R2
4	**Zone 2 try: Story Places**	6	pp. 48–52, 54 (The $100 Bill, -ar)	Students will be able to find the story place and choose the right -ar spelling.	Teams talk for 20 seconds, then one pupil taps. The class spells the -ar word together.	R2, P1
5	**Zone 3 try: Good Decisions**	6	pp. 47, 53, 55 (A New Friend, The $100 Bill, Think Together)	Students will be able to choose a responsible solution and say it with I should….	Pairs say their idea (I should give the money to Dad.), then a pupil taps the answer.	S4, G1
6	**Homework steps**	6	—	Students will be able to tell a partner how to finish the homework at home.	The teacher shows the hub map: any zone, any order, no game over, six tools, then the Safe Place and the Arctic Explorer badge. Pupils repeat the steps. Give the worksheet if used.	L2

7	**Door pass**	2	no writing	Students will be able to say one I should… sentence about money.	At the door each pupil says one sentence and the teacher answers.	S2
	Total	**35**				

Support. Point to the picture; read the clue for the team; say -ar words slowly (p-ar-k); turn on Read Clue Aloud at home.
Stretch. Give the reason for the answer; compare two kinds of money (Paper is easier to carry than metal.).
Check learning. Check the XP and the Arctic Explorer badge on the class board the next lesson; listen to the I should… door pass.

Book page numbers marked "p. ___" are to be filled in from the pupils' book. Teaching style: speaking before writing; TPR and movement; Smart Board touch and drag; puppet; team game; no translation.
