#	Activity	Min	Book page	Outcome: Students will be able to…	What happens (speaking first)	Codes
1	**Get ready: teams and rules**	5	p. ___ (unit words)	Students will be able to say the game rules in short phrases (Roll. Move. Answer. Buy.).	Make the teams. Show the board: coloured sets are word groups, the ? squares are Chance. Say the four steps together: roll the dice, move, answer the question, buy the word.	undefined
2	**GAME: Question-to-Buy Board**	25	p. ___ (unit words and sentences)	Students will be able to choose the right word or meaning and use the new words in short answers.	Each team rolls two dice and moves. On a free word the question appears with three answers; a right answer buys the word, a wrong answer only means the word stays free (no points lost). Landing on another team's word means paying rent, or half rent if the team answers a question. Chance squares give speaking tasks, quizzes or free coins. Teachers press Said it well (+40) for speaking cards.	undefined
3	**Podium and door pass**	5	p. ___ (no writing)	Students will be able to say one sentence with a word they bought or learned.	The podium shows each team's worth (coins plus the words it owns) and the XP to give (30, 20, 10, 5). At the door each pupil says one word from the board in a sentence.	undefined
	Total	**35**				

Support. Read the question aloud with the team; point to the picture on the square; give one wrong answer away.
Stretch. Say the word in a sentence before answering; make a new sentence with the same pattern.
Check learning. Listen to the team talk and the door pass; note which words teams could not answer and revisit them next lesson.

Book page numbers marked "p. ___" are to be filled in from the pupils' book. Teaching style: speaking before writing; TPR and movement; Smart Board touch and drag; puppet; team game; no translation.
