Grade 4 · Unit 3 · Smartboard Mission: How Much Is It? (revision)

Classes 4A and 4B · 35 minutes · A1 · one Smart Board · open: unit3-money-mission/index.html

Curriculum outcomes. Listening, vocabulary, grammar, pronunciation and speaking outcomes of the unit (codes to be filled from the Unit 3 scheme)
Lesson goal. By the end of the lesson pupils can match Unit 3 words and History of Money dates to pictures, spell -ar words, build problem and solution sentences, and answer quick questions about the two readings.
Language. bartered, metal, valuable, credit card, plastic, bill, belong to, return, pocket, restaurant, money is tight · -ar words: bartered, card, park, hard, started · People bartered for things they wanted. Paige found a $100 bill. She gave the money to her dad.
Prepare. Open the mission and choose the class so the pupils and their monsters load. No printing needed; the worksheet (unit3-money-mission/worksheet.html) is optional for early finishers.

#	Activity	Min	Book page	Outcome: Students will be able to…	What happens (speaking first)	Codes
1	**Crew Briefing**	3	pp. 40–41 (unit opener)	Students will be able to say how people pay for things (You can buy… / You pay with…).	Smart Board opener. Pupils look, whisper to a partner and tell the class. The crew bar starts at 0%.	L1, S1
2	**TASK 1: Electrical Wires**	8	pp. 41–46, 49–53 (History of Money, The $100 Bill)	Students will be able to match Unit 3 words and History of Money dates to their pictures and meanings.	The teacher taps Pick Next Crewmate. The pupil connects one wire and says the word in a sentence; the class checks with thumbs up. Award +1 / +5 / +10 XP. Three rounds of four wires.	V1, R2
3	**TASK 2: Clear Asteroids**	7	p. 54 (-ar spelling)	Students will be able to choose the right spelling of -ar words (bartered, card, park, hard, started).	A clue picture and a sentence appear. The picked pupil reads the sentence and taps the right asteroid; the class chants the spelling.	P1, V1
4	**TASK 3: Reactor Sequence**	7	pp. 47–53 (A New Friend, The $100 Bill)	Students will be able to put words in order to make a problem or a solution sentence.	The picked pupil taps shuffled words in order; the class reads the finished sentence aloud. The crew bar reaches 100%.	G1, S4
5	**FINALE: Monster Tug-of-War**	8	pp. 40–55 (whole unit)	Students will be able to answer quick questions about the unit fast and correctly.	Two challengers stand at the board. Each right answer pulls their monster across the rope bridge. The class may whisper help after 5 seconds. Change the pair every few questions.	L2, S2
6	**Mission Complete (door pass)**	2	no writing	Students will be able to say one thing they learned about money.	Scores and XP are shown. At the door each pupil says one sentence (People used shells. Paige helped her dad.).	S2
	Total	**35**				

Support. Point to the picture card; read the sentence for the pupil; say -ar words slowly (c-ar-d); let a friend help in the finale.
Stretch. Say the word in a new sentence before connecting; explain why the answer is right; ask a question for the class.
Check learning. Listen to each picked pupil and the door pass; note who can say a full sentence and spell -ar words.

Book page numbers marked "p. ___" are to be filled in from the pupils' book. Teaching style: speaking before writing; TPR and movement; Smart Board touch and drag; puppet; team game; no translation.
