Grade 3 · The Pharaoh's Kingdom · Lesson 6 of 8 · Models arrive · building the kingdom

35 minutes · classes 3A and 3B · A1 · smartboard + paper · Explorer Passport stamp at the end

Lesson goal. The models arrive. Pupils place them on the kingdom board and describe positions: next to, behind, in front of, in the desert, on the Nile.
Prepare. The kingdom board (big card with 6 areas) and the area labels (class pack). The who-makes-what list. The spare box for pupils without a model.
Calm class. Class Plan rules, bell = stop, traffic light on. The same shape every lesson: 5 min remember · 20 min together (pairs or stations, everybody on paper) · 10 min say it and stamp the passport.

Min	Step	Teacher	Pupils	Tip
0–5	**Remember**	Next to, behind, in front of with classroom objects.	Say where things are.	Quick game.
5–25	**Build the kingdom**	Group by group, pupils place their model and say where: The pyramids are in the desert. The boat is on the Nile. The Senet game is next to the palace.	Place and say one sentence.	Tick arrivals; pupils without a model make one from the spare box.
25–31	**Tour practice**	Each pupil practises their 2 tour sentences with a partner.	Say 2 sentences.	Help with the first words.
31–35	**Stamp**	Admire the kingdom together.	Say: I like the … It is …	Photo of the board if allowed.

Fairness. Praise effort and English, never how expensive a model looks.
Support. Position cards with arrows.
Check. One position sentence each.
