Grade 3A · Units 1–4 revision games (Monday 26 October, 14:15)

35 minutes · 3A · play, no new content · smartboard: game-maker/index.html?set=u14-g3&game=cannon · the diagnostic quiz is Tuesday 27 at 10:30

Goal. Remember the words and sentences of Units 1–4 in a calm game before tomorrow's quiz. Everybody answers on a card, not only the pupil at the board.
Prepare. Game Maker: set Units 1–4 (Grade 3), Monsters = 3A, Answer cards = On, ordinary cartoon skin (no Halloween). Answer cards A/B/C/D, or mini whiteboards. The Class Plan light stays on from the last lesson.
Fair turns. Teams play in order; only the named team answers aloud, but every pupil holds up a card first.

Min	Step	Teacher	Pupils	Tip
0–3	**Rules**	Daily 3-minute reset: the 3 rules and one bell game.	Freeze on the bell.	Green minutes = bonus.
3–15	**Monster Cannon**	Read each question. Count 3–2–1: everybody shows a card. The team at the board answers and fires.	Show a card; the team answers.	Wrong answer: a hint, try again, no minus points.
15–27	**Race or Tiles**	Switch to Race (or Tiles). Same card routine.	Show a card; teams take turns.	Note the questions many pupils got wrong.
27–32	**Memory**	Memory game with the Units 1–4 words: teams find pairs and say the word.	Say the word aloud.	Quick and calm.
32–35	**Tomorrow**	Show the scores. Say: "Tomorrow is a short quiz. It is to help me, not a test of you."	Say one word they remember.	Note 3 hard words for the quiz warm-up.

Support. Weaker pupils sit near the board and point to the picture on their card.
Not today. No new words, no Halloween skin.
Check. The list of hard questions (for the revision lessons).
