Grade 4A · Revision lesson 1 · Reading and Writing (Units 1–4) · no new content

35 minutes · class 4A · A1 · one smartboard + paper · first lesson after the Tea Party (Monday 2 November 2026, 10:30)

Lesson goal. Pupils read two short texts made from Units 1–4 (Late for the Show; fact cards about Alice, the forest in winter and clean cars), answer true/false, multiple-choice and full-sentence questions, and write sentences with because, so, but and First / Then / Finally. Everybody works on paper at the same time.
Why this lesson. In the Units 1–4 quiz 4A scored lowest in reading (35%) and writing (39%); listening was 51%. So 4A starts with reading, not words. No new teaching.
Prepare. Print the pack (revision-pack/Grade4A-Revision-1-Reading-and-Writing-Pack.pdf): Part 1 and Part 2 back to back, Part 3, exit tickets (cut in 4), and the teacher key for you. Use the answer cards printed for 4B (one per pupil). Open the Revision board (Command Center, 🔁 Revision) for the suggested groups and pairs.
Open. https://maysaaaam-rgb.github.io/who-stole-the-treasure/game-maker/index.html?set=smart-g4 → choose a game, Monsters = 4A, Remember first = On, Answer cards = On. Exit ticket: game-maker/index.html?exit=1.
Rules. Class Plan rules and the class traffic light (switch the light on after the first minute). Private steps only, never in front of the class.

Min	Step	Teacher	Pupils	Tip
0–2	**Today**	Say: "Today we read and write." Show the three parts. Hand out answer cards and Part 1 face down.	Sit, listen, cards ready.	Pairs: a stronger reader with a weaker reader (Revision board).
2–8	**Remember first (board)**	Game Maker, Smart mix, Remember first: look and say, cover and recall, three warm-up questions with answer cards.	Say it together and with the partner; hold up the card.	Tap the class tally after each warm-up question.
8–15	**Read 1: Late for the Show**	Read the story aloud once while pupils follow with a finger. Then pairs read it again, one sentence each. Pupils do their stars: A true/false, B circle, C full sentences.	Read in pairs, then answer alone.	Check A together with thumbs up / down. Ask two pupils to read their sentence 8 aloud.
15–21	**Read 2: fact cards**	Turn the sheet. Each pair reads the three cards. A: which card? B: find the word. C: full sentences with so / because.	Find the words in the text; underline them.	Walk round; point to the line in the card, do not tell the answer.
21–31	**Write it (Part 3)**	Support pupils do A (word box). Core pupils do B (First, Then, Finally). Challenge pupils do C (a day when I was late, 4 sentences). Fast pupils try the next star.	Write quietly; read your sentences to the partner.	Look for capital letters, full stops and the past verbs (was, waited, stopped).
31–35	**Exit ticket**	Open game-maker/index.html?exit=1 (or ask 3 questions from Part 1 and 2). Pupils write answers 1, 2, 3.	Write three answers; hand in at the door.	After the lesson, mark the tickets on your own screen (Mark the papers). Not on the board.

Support. Read the text aloud with the pupil; let them point to the answer in the text; accept short answers and model the full sentence.
Stretch. Write two extra sentences about Text 2 with but and because; check a partner's capital letters and full stops.
Check learning. The teacher key is the last page of the pack. Use the exit-ticket marks and the class tally on the Revision board to choose the next 4A lesson (if reading is still low: a second reading lesson before words).
