Grade 3 & 4 · Government Book Lesson: the 35-minute routine (4 per class each week)

1 × 35 minutes · 3A, 3B, 4A, 4B · the government English textbook · write the unit and pages for each lesson in the table at the bottom

Why a routine. Every class has 4 book lessons a week. The same short routine every time helps pupils who find it hard to follow instructions, and the team game at the end gives everyone XP.
Every lesson. Book open on the right page before the bell; new words with a picture or an action; pupils speak together before anyone speaks alone; finish 1 minute early for the door pass.
First lesson in 4B and 3B (books handed out this week). Hand out the books in the first 5 minutes: name on the inside cover, show where the units and the word list are, then start the routine at step 2.

Min	Step	Teacher	Pupils	Tip
0–4	**Warm-up**	Ball pass: "What's your favourite …?" (food, animal, colour, movie, game).	Catch the ball, answer: My favourite … is …	Fast; everybody gets the ball once a week.
4–10	**New words**	Show the page's new words with a picture or an action. Say, act, then hide and recall.	Repeat, act, remember.	Max 6–8 new words.
10–24	**Book pages**	Listen / read / do the page activities. Model the first answer, then pairs, then check together.	Complete the page activity, then say the answer with the class.	Write the page numbers in the table below.
24–33	**Word game**	Short smartboard word game with the day's words (Game Maker or mime-and-guess). Points on the board.	Play and answer one question.	Give XP on the Class Board.
33–35	**Door pass**	One question with the day's words at the door.	Answer 1 question.	Note who needs help next lesson.
