Talk Show Studio: speaking battles (Grades 3 and 4)

Teacher: Maysam Jaber · English · Tuesday 10 November 2026 · all lessons · 35 minutes each

Aim: a whole lesson of speaking. The smartboard becomes a TV studio; four teams battle in short speaking rounds and the teacher judges with one tap. No microphone is needed. Mistakes get a hint and another try, never a point taken away.

Today’s shows:

The Unit 5 lessons planned for these times (4B Lesson 2, 3A Lesson 3) move to the next free lessons; MEB book pages: p. ___.

Grade 3 · Unit 5: Let’s Go Back (Global Readings 2, pp. 72–87)

Outcomes. Students will be able to:

- answer questions about the past with a full sentence (I played… / She went… / I was…)
- describe a picture with 2–3 simple sentences
- ask and answer interview questions in role (Where did you go? I went to…)
- recall Unit 5 words quickly (pharaoh, chariot, ancient, time capsule, future, coins)

Language: Past simple (was / were, went, saw, opened, played, didn’t); There is / There are; Unit 5 words.

Materials: the smartboard (Talk Show Studio), one chair at the front for the Guest Chair, team seating in 4 groups.

Lesson stages (35 minutes):

Min	Stage	Teacher	Pupils
3	Studio opens	Press Start the show: jingle, ON AIR light, the host greets the audience. Practise the Applause and Quiet signs.	Pupils sit in 4 teams (Mics, Cameras, Stars, Speakers), clap on Applause, finger on lips on Quiet.
7	Quick Questions	Show one host card per team (past simple: What did you do yesterday? Where did Jannah go?). Judge: Good answer +1, Full sentence +2, Try again (no points lost), Help (model answer).	One speaker per team answers with the sentence frame; the team whispers help. A new speaker every turn.
7	Picture Talk	Show a Unit 5 picture with word chips and three frames. Tap +1 for each correct sentence (max 3).	The speaker says 2–3 sentences about the picture (I can see… / It is… / She was…).
8	Guest Chair	A chair at the front. Guest: Jannah (Episode 1) or a time traveller from 1795 (Episode 2). Judge questions (+1) and answers (+1 / +2).	One team asks a question card out loud; a pupil from the guest team answers in role. Roles rotate.
6	Fast Talk 30	Give each team a topic and 30 seconds. Tap +1 for every correct word or sentence.	Team members take turns to say one word or sentence about the topic, no repeats.
4	That’s a wrap!	Show the podium. Lead the goodbye line. Give XP on the Class Board if wanted. Exit question: What did you say on the show today?	Teams say the goodbye line together; each pupil answers the exit question.
35	**Total**		

Differentiation: weaker pupils use the sentence frame on the screen and team whispers; stronger pupils add a describing word or a because-sentence for the +2.

Assessment: observation of each speaker; team points on the screen; exit question at the door.
