What Does It Do?

A Look at the picture. What do you see?

I see a lamp.

There's a small robot.

B What do you think?

I think the books are old.

He's smart.

C What do you wonder?

Is it night?

How old is the robot?

D Think and discuss. What do inventors do?

E Think and discuss. Which of these things do you think inventors do first? Check (✓).

1 Draw a picture.

☐

2 Make changes.

☐

3 Have ideas.

☐

The After-School Inventor

My name is Clara Doodle.
I invent things after school.

I have a lot of new ideas and some of them are cool.

Are all of Clara's
inventions
good?

Here are my rain glasses and my umbrella pen.

OK. Some ideas are not so good ...

... but I always try again!

Words in Context

 Find these words in the reading. What do you think they mean?

invent **try again** **change** **mirror** **mess** **invention** **machine**

When I have an idea, I always
make a plan.

I draw and change, and change and draw.
I do the best I can.

Here's my smart eraser. It tells me when I'm wrong.

And my alarm clock pillow wakes me with a song.

This is my special mirror.
It changes what I see.

When I click this
button, I see the
back of me.

But something's not quite right!
It's changing all my clothes.

Look at the
buttons on the
mirror. What
things can the
mirror do?

Oh, no! I have long purple
hair and a big long nose.

... it's a big clean-up machine.

C Think and discuss. Why do you think inventors have notebooks?

It's because they want to remember things.

Now read *My Good Ideas Book*

Identifying a Sequence of Events

MY GOOD IDEAS BOOK

1 Get started.

Write your ideas down.
A lot of them!
Choose a good one.

Thomas Edison (1847-1931)
Inventions: movie projector,
sound recorder, light bulb

When you
have a **problem**,
look for a
solution.

You need:

- ☁ Ideas
- 🕒 Time
- 📓 A notebook
- ✎ A pencil

My pencils always
roll off the table.
How can I stop them?

I can shape
them like
hexagons.

Thomas Edison
had thousands
of notebooks.

=

Look at animals and plants.
They can give you good ideas.

This plant sticks to your clothes.

This shoe sticks like the plant.

Where do new ideas come from?

Kingfishers fly fast.

This train's shape is like the kingfisher.

2 Work on your idea.

Draw a picture of your idea.
Drawing helps you to see your idea.
When you see a problem, you
can change it.

Leonardo da Vinci (1452-1519)

Ideas: a parachute, a helicopter,
a flying machine

These are some of
da Vinci's drawings.

Make a drawing
of your idea.

Use it to
test your idea.

3 Improve your idea.

Show your idea to your friends and family.
Listen to what they say and maybe change your idea.

Karl Benz (1844-1929) invented the first motorcar in 1885.

Do you like
drawing or making
new things?

Don't give up!

Try again ...

and again ...

and again!
