Grade 3B · Units 1–4 revision games (Wednesday 28 October, 11:15)

35 minutes · 3B · after the quiz at 10:30 · play, no new content · smartboard: game-maker/index.html?set=u14-g3&game=cannon

Goal. A calm game after the quiz, with the words and sentences of Units 1–4. Everybody answers on a card, not only the pupil at the board.
Prepare. Game Maker: set Units 1–4 (Grade 3), Monsters = 3B, Answer cards = On, ordinary cartoon skin (no Halloween). The game answer sheet (2 per A4), one per pupil. The Class Plan light stays on from the quiz lesson.
Fair turns. Teams play in order; only the named team answers aloud, but every pupil holds up a card first.

Min	Step	Teacher	Pupils	Tip
0–3	**Rules + sheets**	Bell game once. Give every pupil the game answer sheet (game-maker/Game-Answer-Sheet.pdf). Name and class on top.	Write name; pencil ready.	Light stays on from the quiz.
3–8	**Remember first**	Game Maker: Remember first = On. Look and say, then cover and recall the words.	Say the words; recall.	Fast; everybody speaks.
8–26	**Play and write**	Start Monster Cannon (Answer cards = On). Each question shows a yellow "Line N". Read it; count 3–2–1. EVERY pupil writes on that line (word, or circle A–D after Show the answers). Then the team at the board answers and plays. Cards up: tap All / Most / Half / A few / None.	Write on the right line; hold up the paper.	Nobody waits: the team plays, everybody writes. No minus points.
26–32	**What we found hard**	At the end press 📋 What we found hard. Tap each line to show the answer; say the sentence together. Then 🧠 Practise these.	Check their own line; correct it in another colour.	This list is also saved for Friday's revision.
32–35	**My hard lines**	Pupils write "Hard for me: lines …" and one sentence they remember at the bottom. Collect the sheets. Happy Republic Day!	Write and hand in.	Look at the sheets for Friday's Revision 1.

Support. Weaker pupils sit near the board and point to the picture on their card.
Not today. No new words, no Halloween skin.
