Grade 3 · Unit 4 · Lesson 3: The Angry Mountain (Book pp. 65–69)

35 minutes · classes 3A and 3B · A1 · Hybrid Pro Smartboard Lesson with Animated 3D Monster Hosts + book pp. 65–69

Lesson goal. Pupils explore Sumbawa Island (1815), master five volcano story words (thunder, bark, ash, dream, sunrise) with NOUN/VERB badges and TPR actions, connect Cause (WHY) and Effect (WHAT HAPPENED) using the interactive Gear Machine (because / so), read the 5-scene illustrated story of Mount Tambora ("The Angry Mountain", pp. 66–69), and race the family's wooden sailboat to the rescue ship at sunrise.
Book link. Global Readings 2, Unit 4 "What Happened?", pp. 65–69: Reading Skill Cause and Effect (p. 65), Words in Context (p. 66), and Reading 2 "The Angry Mountain" (pp. 66–69).
Words. Story words: thunder (noun), bark (verb), ash (noun), dream (noun/verb), sunrise (noun) · Connectors: because (cause/why), so (effect/what happened)
Language. There is a lot of ash in the air, SO the children cannot play outside. · The dogs barked loudly BECAUSE the mountain made a loud sound. · The family ran to their boat BECAUSE fire and rocks came out of the mountain.

Prepare. Divide the class into 4 teams (Foxes, Owls, Cats, Wolves) tracked on the top HUD scoreboard. Introduce the animated 3D monster hosts (Nova, Bubbles, Blaze, Rosie, Sprout) on the left pedestal.

Min	Station & Host	Teacher	Pupils (YOU DO & SAY)	Tip
0–6	**Station 1: Island Warm-Up (Host: Nova, p. 66)**	Display the 1815 Sumbawa Island Map. Tap the 3 look-and-find warm-up questions about the girl in the palm tree and smoky Mount Tambora.	Point to the volcano on the smartboard, make a big BOOM sound, and answer in a full sentence using the bottom SAY bar.	Tap the bottom speaking pills ("I see a volcano! Smoke is coming out of the mountain.") so the class hears and repeats together.
6–13	**Station 2: Volcano Words Map (Host: Bubbles, p. 66)**	Tap each of the 5 glowing island hotspots (thunder, bark, ash, dream, sunrise) to flip the 3D card and play TTS.	Chant each word twice, perform the TPR action (clap for thunder, bark like a dog, flutter fingers for ash, sleep hands for dream, rise arms for sunrise), and spot NOUN vs. VERB.	Ask a pupil from each team to come tap a hotspot and lead the class TPR action for +1 team point.
13–20	**Station 3: Cause & Effect Gear Machine (Host: Blaze, p. 65)**	Run the 6-round Cause & Effect Gear Machine. Point to the red CAUSE gear (why it happened) and blue EFFECT gear (what happened).	Decide whether BECAUSE or SO connects the two gears, tap the connector button to spin the gears together, and read the full sentence aloud.	Remind pupils: BECAUSE points to the reason (why); SO points to the result (what happened next).
20–28	**Station 4: Story Theater (Host: Rosie, pp. 66–69)**	Step through the 5 illustrated scenes of The Angry Mountain (April 1815). Tap Read Scene and ask the comprehension check question at the bottom of each scene.	Follow along in textbooks (pp. 66–69), answer the scene check question on the board, and act out climbing the tree, running to the boat, and waving at sunrise.	Pause on Scene 3 (ash falling) and Scene 4 (fire and rocks) to ask "Why did they run to the boat?"

28–35	**Station 5: Sail to the Rescue Ship! (Host: Sprout, pp. 66–69)**	Launch the 6-question ocean race. Each right answer blows wind into the wooden sailboat's sail and moves the family from 8% to 84% across the sea.	Read the question with their team, tap the right answer to blow wind into the sail, and cheer when the boat reaches the big rescue ship at sunrise!	Award bonus stars on the top HUD scoreboard to teams that read the full answer sentence aloud before tapping.

Assessment & Exit Check. Confirm every pupil can name the 5 volcano words, choose BECAUSE vs. SO accurately, and retell how the family escaped Mount Tambora by boat.
Differentiation. Support: Point to the red/blue gear labels and repeat the short bottom speaking pill. Challenge: Ask confident speakers to retell the 5 scenes using "First... Next... Then... Finally...".
