Prepare. Label the 4 corners of the classroom (Corner 1: Scared 😱, Corner 2: Safe 🛟, Corner 3: Thankful 🙏, Corner 4: Happy 🌼) for Station 2. Have mini whiteboards ready for Station 3.

Min	Station & Host	Teacher	Pupils (YOU DO & SAY)	Tip
0–7	**Station 1: Explore the Reading (Host: Nova, p. 70 A–B)**	Display the 6 True/False and comprehension checks from book p. 70 (Indonesia 1815, grey ash vs. snow, wooden boat, rescue ship).	Show Thumbs UP for True or Thumbs DOWN for False, tap the answer on the smartboard, and read the full explanation sentence.	Have pupils check and tick Activity A and B on page 70 of their books as each card is solved.
7–14	**Station 2: Volcano Freeze & 4 Feeling Corners (Host: Rosie, p. 70 C)**	Tap 🌋 VOLCANO FREEZE! on the smartboard to rumble the stage and highlight one of the 4 feeling corners (Scared, Safe, Thankful, Happy). Then complete the 3 book feeling cards (excited, surprised, upset) below.	Walk to one of the 4 classroom corners, freeze when the volcano rumbles, and say aloud: "In 1815, I felt [feeling] because [reason]!"	Encourage every corner group to chant their sentence together before tapping the next Volcano Freeze round.
14–21	**Station 3: The -nd Phonics Letter Factory (Host: Bubbles, p. 70)**	Open the 6-word Letter Factory (wind, hand, stand, send, find, end). Tap 🔊 Hear Word and invite a pupil to tap the golden -nd tile to snap it into the word.	Write the word on mini whiteboards, tap the golden -nd tile on the smartboard, blend the sounds aloud, and clap on the final /nd/ sound.	Contrast final -nd (/nd/ in wind, hand) with Unit 2's final -st (/st/ in fast, lost) so pupils hear the nasal-stop blend clearly.
21–28	**Station 4: Pop the -nd Balloons! (Host: Blaze, p. 70)**	Run the 4-wave balloon arcade game. Each wave has 5 floating balloons (3 ending with -nd and 2 distractors like fast, lamp, rock, sing).	Spot and tap ONLY the 3 balloons ending with -nd in each wave while shouting the word aloud!	If a distractor balloon is tapped, Blaze gently wobbles and gives a phonics hint with zero point deduction.

28–35	**Station 5: Two-Story Train & 3-Step Interview (Host: Sprout, p. 71)**	Part A: Sort 6 clues into Car 1 (Where Is She? — Mona Lisa), Car 2 (The Angry Mountain), or Both Stories. Part B: Display the 3-Step Partner Interview cards.	Sort each clue onto the right train car, then pair up and answer the 3-Step Interview ("Which story did you like best? Why?").	Invite 2 pairs to stand by the smartboard and share their 3-sentence interview for bonus team stars!

Assessment & Unit 4 Quiz. After Station 5, pupils are ready for the 20-mark printable Unit 4 Quiz (unit4-g3-lessons/quiz-grade3.html) or a 5-minute Game Maker bonus round (set: Grade 3 · The Angry Mountain).
Differentiation. Support: Allow emerging speakers to use the clickable bottom SAY pills during the 4 Feeling Corners and 3-Step Interview. Challenge: Ask confident writers to write 2 extra -nd words (sand, island, sound, behind, friend) on their mini whiteboards.
