MARKING THE WRITING (ACCURACY)

Mark	What it shows
2	A full sentence that is clear and uses the right form (past verb, question word, because, so, is + -ing...). Small spelling mistakes are fine.
1	The meaning is clear but the grammar has a mistake (for example “I play football yesterday”) or the sentence is not finished.
0	Blank, copied from the task only, or not understandable.

LEVELS (ACCURACY BANDS)

Each unit (out of 9)

Marks	Level
0-3	Below A1 · needs support
4-5	A1 · developing
6-7	A1+ · secure
8-9	A1+ strong · ready for A2

Whole quiz (out of 36)

Marks	Level
0-10	Below A1
11-19	A1
20-28	A1+
29-36	A1+ strong, ready for A2

These are classroom bands made for this quiz. They match the A1 to A1+ descriptors in a simple way. They are not an official CEFR certificate. The quiz tests English in new situations, not memory of the stories. Use the unit bands to see where each pupil needs support; the speaking lesson next time adds the fourth skill.
